

Dear Friend of the Center,

The Center for Head Injury Services invites you to take part in our **16th Annual "Gray Matters" Charity Trivia Night**. We offer a life line of hope to people with disabilities arising from brain injuries, autism and developmental disabilities. Proceeds from this year's event will help the Center continue to empower people with disabilities to reach their maximum potential by developing skills, creating opportunities, and shaping brighter futures.

This year, the "Gray Matters" Trivia Night will be held at the Maryland Heights Community Center, located at 2300 McKelvey Rd on **Friday, August 26th**. Doors open at 6:30 p.m. Trivia Begins at 7p.m.

Please see the enclosed flyer for event and registration information.

#### **Here is how you can support the Center:**

**Sponsor:** Sponsorships from \$200-\$5,000 are available and tax-deductible. I have enclosed the event flyer describing various sponsorship levels and their benefits.

**Donate:** We are looking for in-kind items for raffles, the silent auction and an attendance prize. We also need food and beverage donations.

**Play:** Tables of **8 players** will go quickly, so start forming your team now!

Every year, the Center serves over 700 people with disabilities arising from brain injuries, autism and developmental disabilities. We shape brighter futures by providing a continuum of services including day programs, therapy and counseling, adaptive equipment, and employment and vocational services that help people reach their maximum potential.

The Center is a 501(c)(3) non-profit organization. Donations are tax-deductible in accordance with the IRS regulations. If you have any questions, please contact Carrie Craven at [ccraven@headinjuryctr-stl.org](mailto:ccraven@headinjuryctr-stl.org), or by calling (314) 983-9230 ext. 1110.
